

Application procedure

Application Form

Fill out the application forms A, B, and C.

* Signature for C must be hand-written. Either attach your signature image in the Excel box or send as scanned signed document.

Documents/materials to be submitted

- (1) Reference materials describing the work to be created as part of this program (at least three minutes in length).

It is preferable that applicants submit documents (story board, script, etc.) which make it possible to understand plans for the work in detail.

- (2) Proof of a work having been screened at an international film festival, exhibition, or similar event, etc. (e.g. a copy of the list of screened works in a festival catalogue).

Make sure that the proof shows the event's internationality (e.g. It screens/features works from countries other than your own).

Proof of more than one film having been screened is not required.

- (3) Proof of age and citizenship (e.g. a photocopy of your passport).

- Put materials in corresponding folders
- Put your name as the top folder name and compress the folder.
- Send the compressed file with your name to: entry2016@japic.jp

* If your circumstances do not allow you to upload video to the Internet submission via DVD or other video media may be accepted. In such cases our office must be contacted in advance.
